

REEF Junior Research Program

(For School Students)

Hands-on Marine Science, Ocean Exploration
& Future Career Skills for Young Minds

5-Day Intensive Training Program

 MCC MRF Innovation Park - Madras Christian College, Tambaram

 Classes 8 - 12

Lab Skills & Experiments

Marine Biology & Ocean Life

Sea Turtle Conservation

AI & Future Careers

- ✓ Hands-On Learning
- ✓ Mini Projects & Activities
- ✓ Certificate from REEF
- ✓ Best Student Awards!

₹3,000 Per Student
Limited Seats - Enroll Now!

CERTIFICATE
FOR ALL PARTICIPANTS!

Discover the Ocean Within You!

REEF Junior Research Program

(For School Students)

Hands-on Marine Science, Ocean Exploration & Future Career Skills for Young Minds

WHY JOIN THIS PROGRAM?

➔ MEET REAL SCIENTISTS

✓ Interact with marine experts & researchers

🌐 Real Marine Research Exposure

Experience how marine science works in real life

🐢 Sea Turtle Conservation Learning

Learn from real field projects & case studies

📅 Mini Research Project

Create & present your own scientific idea

🎯 AI & Future Career Guidance

Explore careers in Marine Science & Technology

🎤 Confidence & Communication

Improve presentation & thinking skills

🏆 Certificates & Best Student Awards

Recognition for all + Best Student Awards

SPECIAL HIGHLIGHTS

- ➔ Scientist Guest Lecture
- ➔ Live Research Demonstration
- ➔ Career Roadmap Session
- ➔ Internship Guidance
- ➔ Parent Awareness Session

Lab Skills & Experiments

Marine Biology & Ocean Life

Sea Turtle Conservation

Certificate
Live: Awards

AI & Future Careers

AI & Future Careers

Learn Like a Scientist. Explore Like an Explorer.
