About the Program

Mission:

To engage college students, stakeholders and experts in turtle conservation efforts and raise awareness about marine biodiversity preservation.

Why Turtle Conservation?

Turtles play a crucial role in maintaining marine ecosystems. Rising threats like habitat loss, climate change, and pollution make conservation essential.

Document Screening

Life of Sea Turtles and their role in Marine Ecosystem

Competitions

1. Quiz: Marine biodiversity and conservation challenges.
2. Poster Making: Theme - "Save Our Sea Turtles."
3. Photography: Capture the essence of coastal beauty or conservation.
