MARINE BIOLOGY

INTERNATIONAL CENTRE FOR
MARINE BIOLOGY (ICMB)

BSC
in
MARINE BIOLOGY

Explore the wonders of the
ocean and pursue a career in
Marine Science

ELIGIBILITY

Students must have completed +2 with Biology or Science stream.

OPPORTUNITIES

Graduates can work in marine research institutes, fisheries departments, aquaculture industries, marine conservation NGOs, environmental consultancies, oceanographic labs, and coastal ecosystem projects. Pursue higher studies like M.Sc. Marine Biology, Oceanography, or Environmental Science for advanced roles.
